

# DIY Bubble Recipe

Dawn Ultra - found at most major retailers

Glycerin - found in most pharmacies, Beauty360 brand can be found in the cosmetic section at CVS

**1 Cup Dawn Dish Soap  
7 Cups Hot Water  
2 TBSP Glycerin  
(optional 1 tsp KY Lubricant)**

## Instructions:

Stir together the Dish Soap & Glycerin  
Then pour in hot water while stirring. For extra strong bubbles, add 1 tsp KY Lubricant.  
Let sit overnight (at least 8 hours)

Alternate recipe: Add 1 tsp of Glycerin to  
4 Cups of store bought bubbles

**Look for items  
around the house  
that you can use to  
make homemade  
bubble wands!**

**\*Remember any closed shape can  
make a bubble!**

- Pipe Cleaners
- String
- Straws
- Tubes
- Wire

# You will Need:

- **A bucket, basin or bowl** to put your bubbles in

- **A towel** to dry your hands and for any spills
