

Perler Bead Fun

What you will need:

Perler Beads

Peg Board

Ironing paper (Wax paper)

Iron

Creativity!

Reminder: If you do not feel comfortable using an iron on your own please have an adult help you with this part of the craft!

Place pegboard on a flat surface

Set Iron to medium, place ironing paper over beads and pegboard, using a circular motion iron for 10-20 seconds. DO NOT press down on the iron. When ironed properly the beads will still have an open center, let it cool before taking off pegboard.
